## WORK EXPERIENCE

**Seneca Polytechnic** **Toronto, Ontario**

**IT Technical Support and Hy-flex Ambassador** **Sep 2022 - Apr 2024**

- Provided Tier 1 IT support to faculty and students across campus, resolving 150+ monthly tickets using Salesforce and F9 VoIP.
- Diagnosed and resolved hybrid classroom issues involving AV equipment, mic/camera detection, display setup, and Zoom SSO authentication errors—reducing classroom downtime by 30%.
- Re-imaged and deployed 200+ workstations using PXE boot and USB tools, installed Windows 10/11 OS, and configured standard software packages.
- Assisted users with VPN access (GlobalProtect), and software deployment via AppsAnywhere and MyApps using Cloudpaging Player.
- Guided users through SSPR workflows, account activations, and username retrieval; escalated unresolved issues following ITIL practices—achieving 85% first-day resolution.
- Mapped network printers, resolved spooler issues, and supported printer troubleshooting in labs and faculty offices.
- Performed Level 1 troubleshooting and diagnoses prior to escalating complex incidents to systems support specialist, following ITIL Incident incident management protocols.
- Delivered exceptional service across 10+ Hy-flex classrooms daily, translating technical issues into user-friendly solutions and documenting procedures for consistent support.

**Computer Laboratory Technician** **Sep 2023 – Dec 2023**

- Maintained lab infrastructure including routers, switches, and servers; ensured 99% uptime.
- Assisted 100+ students and staff with real-time lab support and technical troubleshooting.
- Worked closely with professors to organize and execute hands-on workshops, increasing student engagement and fostering a more interactive learning environment.

**WorldLink Communications** **Kathmandu, Nepal**  
**Help Desk Support Intern** **Sep 2021 – Apr 2022**

- Delivered front-line support to home and small business customers facing internet outages and VoIP connectivity issues.
- Performed router configuration, assigned static IPs, resolved DHCP conflicts, and set up port forwarding.
- Maintained a comprehensive database of common technical issues with detailed solutions, resulting in an increase in efficiency for the IT support team.
- Managed inventory of IT assets, conducting regular audits to ensure accurate tracking and timely replenishment, reducing asset loss.

**York Condos, Wincon Security** **Markham, Ontario**  
**Concierge** **May 2023 – Present**

- Delivered exceptional customer service in a high-responsibility residential setting, addressing resident concerns, coordinating service requests, and ensuring secure building operations.
- Strengthened interpersonal and communication skills in a fast-paced, client-facing environment—experience transferable to user support roles.

## EDUCATION

**Seneca Polytechnic, Toronto, ON**  
**Honours Diploma in Computer Systems Technician**

- CGPA: 3.9/4.0 | President's Honours List (4 terms)
- Focus: Networking, System Administration, Cloud Computing and Microsoft administration

## CERTIFICATIONS & AWARDS

- **CompTIA A+ Certified: Core 1 and Core 2 (April 2025)**
- System Administration and IT Infrastructure Services: Issued by Google
- [President's Honour List Summer 2022, Fall 2022, Winter 2023, Fall 2023: Issued by Seneca](#)

## PROJECT EXPERIENCE

**Azure Multi-Region Web Deployment** – Deployed a fault-tolerant website across two Azure regions using Traffic Manager, availability sets, and load balancing.  
**Roundcube Mail Server on AWS** – Configured a secure webmail server on EC2 with Apache, MySQL, and SMTP over HTTPS, showcasing end-to-end cloud and server configuration skills.
